With a compressed capacity of 390GB, AIT-3Ex is the perfect upgrade for existing AIT users. It offers optimum compatibility with all AIT drives in the market.

Features

Please be aware that the features/specifications can differ from country to country.

- High storage capacity of 390GB compressed data (150GB native)
- Fast native data transfer rate of 18MB/s
- Can be used in any today's AIT-3Ex, AIT-4 drives and forthcoming AIT-5 drives
- Proven reliability and durability with a 30 year media life* thanks to AME II technology (Advanced Metal Evaporated)
- Clear future Roadmap already committed up to AIT6 with a 800GB native capacity
- Quick access provided by AIT's unique Remote Memory-In-Cassette (R-MIC) incorporated into the cartridge
- Cleaning Tape: SDX3X-CL

Technical Specifications

Dimensions (nominal)	
External Width (mm)	95.0
External Height (mm)	62.5
External Depth (mm)	15.0
Weight with case (g)	79.0
